

MOOD:SIGHT SOLUTIONS

# MAXIMIZE YOUR VISUAL REAL ESTATE

"With Mood Digital Signage, you'll see a significant return, both to your bottom line and in guest satisfaction."

- **JASON HARWELL**  
Foundry Park Inn & Spa

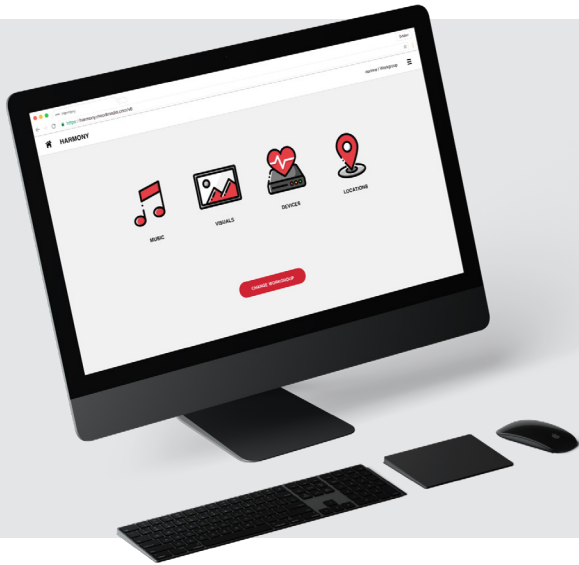

"Mood Digital Signage offers the best bang for the buck."

- **JIMMY HARRIS**  
Owner - Harris Ace Hardware

DIGITAL SIGNAGE + MOOD TV + MENU BOARDS + VIDEO WALLS  
INTERNAL COMMUNICATIONS + SERVICE & INSTALLATION

## Captivate your audience, drive sales and create a more immersive Customer Experience with Mood Sight Solutions.

Choose from a full suite of Digital Signage and TV applications, designed specifically for business use.

Easily manage content on the fly across your entire footprint, or let us manage and develop your content for you. It's all supported by local service and installation, professional consultation and commercial-grade hardware and screens. Leverage the power of Mood Sight Solutions at your business today.

### MOOD HARMONY™: THE BRAND EXPERIENCE PLATFORM

Control your in-store digital signage and more through our mobile-friendly content management system. Whether you want full control or simply want to let the platform take the reins, Harmony makes managing your brand experience super sleek and simple. Schedule content for any location, groups of locations or company-wide.

- + Mobile-friendly online monitoring
- + Secure, reliable technology
- + Simple plug-and-play installation, or let us install for you
- + Responsive support by phone and email

### POWERFUL APPLICATIONS, BIG RESULTS

Whether you have one location, a global footprint or something in between, we have powerful solutions designed to achieve your business goals and engage your unique audience.

- + Digital Signage
- + Digital Menu Boards
- + Mood TV (Hybrid Digital Signage and TV solution)
- + Video Walls
- + Digital Directories
- + Internal Communications/Back-of-House Signage
- + Interactive Touchscreen Signage
- + Digital Shelving

And much more!

### CONTENT DEVELOPMENT & MANAGEMENT

Need content? No problem! We have a team of in-house digital signage experts specializing in professional content development, consultation and management. Let us take care of the content for you and enjoy the peace of mind - and affordability - of working with Mood.
