WHY MOOD WORKPLACE DIGITAL SIGNAGE?

Get their attention. People are visual by nature. Use the power of digital signage to ensure that your messaging is seen.

Communicate fast and consistently. Quickly broadcast critical communications across your entire footprint.

Enhance the look of your workplace. Lose the messy corkboards and taped signs and give your facilities a refreshing, next-generation look and feel.

Save money. Get greener. Reduce costs on paper, print and shipping.

End-to-end solution. From software and media players to commercial-grade screens and local installation, Mood has everything you need to implement effective digital signage.

PRICING

Hardware & Commercial-grade Screens*: starts at \$850 for a commercial 43" display, tilting wall-mount and full-installation. Other display sizes available!

Visual Content/CMS Management: \$40/month

**One time turn-key estimated investment based on variable screen size and mounting complexities.*
