Repeat visits. Maximum referrals. Minimum cost. With Mood's affordable and dependable suite of solutions for Salons, you'll book more appointments and provide an exceptional Salon experience your clients will rave about. Offering the latest in Music, Messaging, Scent, Digital Signage and Audiovisual Systems solutions, Mood is the industry's only true end-to-end provider.

MUSIC

- + 100% fully licensed and commercial-free music
- + 160+ core music programs designed specifically for business
- + Custom programs created by experts to express your unique brand image
- + Personalized control with streaming access to millions of tracks

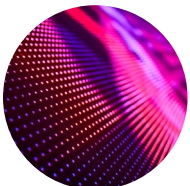

MESSAGING

- + Leverage the power of your brand voice
- + On-Hold: Inform your callers, manage call traffic and reduce perceived wait times
- + In-Store: Inspire purchases at the point of sale

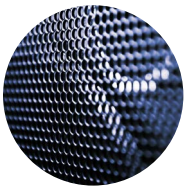

SCENT

- + Choose from more than 1,600 invigorating scents
- + Strengthen your brand image and create a memorable experience
- + Solutions for spaces of any size

DIGITAL SIGNAGE

- + Enhance the Salon atmosphere
- + Promote your offerings and captivate your customers
- + Create dayparted and seasonal scheduling
- + Easy-to-manage online platform for quick content changes

AUDIOVISUAL SYSTEMS

- + Affordable, high-performance solutions for any size and budget
- + Unparalleled sound quality from world-class equipment partners, including Bose®, Klipsch®, Samsung® & LG®
- + Expert installation, backed by reliable service from the nation's top A/V systems designer for Salons
